Anti-Bump
Specialised side pins provide bump resistance.

Anti-Snap
A small section of the cylinder is sacrificed under attack, leaving the remainder of the cylinder intact and your door safely locked.

Anti-Pick
Unique multi shear-line technology designed to resist lock picking and bumping.

Horizontal Keyway
With reversible flat key for easy key entry.

Inner Strength
The dedicated central bridge delivers unparalleled inner strength to the cylinder providing protection even if the cylinder is attacked from the outside.

Anti-Drill
Hardened steel protection incorporated within the cylinder provides undeniable resistance against drill attacks.

Certified
Approved to TS007:2014
3 star - the highest current certified level.
